A SUDDEN TWINGE

Of pain is generally the first warning of an attack of rheumatism. It feels as if the disease were in the bones or muscles, but the real cause of the twinge is a sudden twinge of blood. In order to cure rheumatism the blood must be cleansed of the poisonous impurities which are the cause of the disease.

Dr. Pierce's Golden Medical Discovery has been very successful in the cure of rheumatism, because it entirely cleanses the blood from the poisonous uric acid which is the cause of the disease.

"Your Golden Medical Discovery" cured me of rheumatism after I had tried a dozen remedies without relief. I had been in bed for three weeks, and I was unable to move. I used a number of highly recommended medicines, but they had no effect whatever on me, and I came to Colorado hoping to regain my health, but failed to obtain the relief I had hoped for. A gentleman in the house where I lived advised me to use Dr. Pierce's Golden Medical Discovery, and in four months I was cured. I have had no more of it since, and I have had no touch of it for the past three months.

These tiny, sugar-coated antibilious granules regulate and invigorate Stomach, Liver, and Bowels. Do not forget the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor. Put up in vials; always fresh and reliable.

KEEP YOUR HEAD UNCOVERED.

The Constant Wearing of a Hat Propagates Dandruff Germs.

There are many men who wear their hats practically all the time when awake, and are blessed with a heavy shock of hair; yet if the scalp of these same men once becomes infested with dandruff germs, the parasites would multiply all the quicker for lack of air. Baldness would ensue as the final result. Newbro's Herpicide kills these germs and stimulates unhealthy hair to abundant growth. Herpicide is a pleasant hair dressing as well as a dandruff cure and contains not an atom of injurious substance. Sold by leading druggists. Send for four for example to The Herpicide Co., Detroit, Mich.

are caused by indigestion. If you eat a little too much, or if you are subject to attacks of indigestion, you have no doubt had shortness of breath, rapid heart beats, heartburn or palpitation of the heart. Indigestion causes the stomach to expand—swell, and puff up against the diaphragm. This crowds the heart and interferes with its action, and in the course of time the heart becomes diseased.

Kodol Dyspepsia Cure

digests what you eat, takes the strain off of the heart, and contributes nourishment, strength and health to every organ of the body. Cures Indigestion, Dyspepsia, Sour Stomach, Inflammation of the mucous membranes lining the Stomach and Digestive Tract, Nervous Dyspepsia and Catarrh of the Stomach.

After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it cured me. After using a few bottles I am cured.

MRS. LORING NICHOLS, Penn. N. Y.

I had stomach trouble and was in a bad state as I had heart trouble with it. I took Kodol Dyspepsia Cure for about four months and it cured me.

THE RUSSIAN REVOLT.

A dispatch from Theodosia, Crimea, dated yesterday, says that the inhabitants are leaving the town in compliance with the orders of the authorities, who fear that the mutineers of the Kniav Potemkin will carry out their threat to open fire on Theodosia. Only troops and officials remain.

The Black Sea fleet has gone to Theodosia, according to advices received by the admiralty late yesterday afternoon.

Dispatches received from the governor of Simferopol, who is executing the decree of martial law at Theodosia, say that about half of the Kniav Potemkin's crew desire to surrender, but they are prevented from doing so by the revolutionaries.

There were only six companies of troops at Theodosia Wednesday, but reinforcements of infantry and artillery have been dispatched from Sebastopol.

It transpires that the torpedo boat which accompanied the Kniav Potemkin which towed all the way from Kustunji to Theodosia, was not sunk as was supposed.

An official report from General Kahanoff, the military governor of Odessa, declares that there has been the widest exaggeration regarding the number of casualties resulting from the rioting at Odessa. He gives the following figures: "Of the mob, 49 were killed and 74 were wounded; of the police and troops, one man was killed and 20 were wounded."

A dispatch from St. Petersburg says that the whole Crimean peninsula is in revolt, and anarchy reigns in the mountains of the Caucasus from Batoum to Baku. Only brief details are available on account of the rigid censorship established by Admiral Chouknin, commander of the Black Sea fleet.

Even the foreign emissaries having consuls at Theodosia, Crimea, have not received any word. At Theodosia the workmen are backing the rebels. The crews of several ships in the harbor have joined the rebellion and the well to do class of the population fled in panic.

The guns of the battleship Kniav Potemkin were trained on the city for hours, presumably because the authorities could not or would not furnish the ship with coal.

Only six hours away on the other side of the peninsula Admiral Chouknin's fleet, which includes six warships, not counting Rear Admiral Kruger's squadron, lies at anchor under the menace of the guns of the fortress. Chouknin evidently is afraid to test the loyalty of his crews by setting them the task of capturing the rebel ship.

Telegrams from the Caucasus say the news of the rebellion on board the Kniav Potemkin made an electric impression and was the signal for a general movement, with which troops and police are absolutely powerless to cope. Railroad traffic in all directions has ceased, and the people are fleeing on horseback and in all kinds of vehicles over the mountain roads and trails. Consternation prevails in official circles.

A correspondent who visited the Kniav Potemkin in company with the Mayor of Theodosia, found the battleship commanded by an elected committee of seven headed by "Ensign and Quartermaster" Alexiell, a quasi-commissioned rank in the Russian navy. Everything was in order, and good discipline prevailed.

All the guns were loaded and it was said that the mutineers had a full complement of ammunition. The crew consisted of 755 men, and there were 15 more in the torpedo boat No. 256. No officers were seen, but it was rumored that there were several ensigns among the crew held prisoners and costumed as sailors.

Attacked by Members of Black Hand. Although Pietro Caputo, who runs a hotel on the outskirts of Mamaroneck, near White Plains, N. Y., was nearly stabbed to death by members of the Black Hand Society, who demanded money from him, yet he managed to crawl to the place where he had a double-barrel shotgun hidden and fired point-blank at his assailants, killing one instantly and wounding two others.

For several months Caputo had received letters signed by the Black Hand Society demanding \$100 under a penalty of being slashed to death on July 5 if he failed to pay the amount. Caputo paid no attention to the letters. One of the letters read like this: "If you don't give us \$100 we will kill you the first chance we get. We mean business."

Three alleged members of the Black Hand Society walked into his barroom. One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. This being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and the bottle of it in the house often saves a doctor's bill of several dollars. For sale by Gibson & Timberman and W. F. Creighton & Co.

OPERATION AVOIDED

EXPERIENCE OF MISS MERKLEY

She Was Told That an Operation Was Inevitable. How She Escaped It

When a physician tells a woman suffering with ovarian or womb trouble that an operation is necessary, the very thought of the knife and the operating table strikes terror to her heart, and our hospitals are full of women coming for ovarian or womb operations.

Miss Margaret Merkley

There are cases where an operation is the only resource, but when one considers the great number of cases of ovarian and womb trouble cured by Lydia E. Pinkham's Vegetable Compound after physicians have advised operations, no woman should submit to one without first trying the Vegetable Compound and writing Mrs. Pinkham, Lynn, Mass., for advice, which is free.

Miss Margaret Merkley of 375 Third Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:—

"Loss of strength, extreme nervousness, shooting pains through the pelvic organs, bearing down pains and cramps compelled me to seek medical advice. The doctor, after making an examination, said I had ovarian trouble and ulceration and advised an operation. To this I strongly objected and decided to try Lydia E. Pinkham's Vegetable Compound. The ulceration quickly healed, all the bad symptoms disappeared and I am once more strong, vigorous and well."

Ovarian and womb troubles are steadily on the increase among women. If the monthly periods are very painful, or too frequent and excessive—if you have pain or swelling in the lower left side, bearing down pains, leucorrhoea, don't neglect yourself; try Lydia E. Pinkham's Vegetable Compound.

early yesterday morning and asked for the money. Caputo started to serve them with drinks, when one of the gang, known only as "Big Pete," leaned over the bar and stabbed him in the neck and then slashed him half a dozen times across the face. Though almost blinded by blood which flowed from his wounds, he managed to crawl to the place where he had his gun and fired at his assailants. Big Pete staggered out the front door and dropped dead. The entire top of his head had been blown away by the heavy charge of shot. Then Caputo reloaded his gun and fired twice more at the other men as they started to run. Both were wounded, but they managed to escape, leaving a trail of blood behind them. A posse of Italian men and women was formed and they scoured the surrounding woods for the two men but they could not find them.

Sickening Shivering Fits of Ague and Malaria can be relieved and cured with Electric Bitters. This is a pure, tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after-effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and chills. He took Electric Bitters, which saved his life. At E. S. Leadbeater & Sons drug store; price 50c, guaranteed."
